REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.322

The Patentee respectfully requests the issuance of a Certificate of Correction as set forth in the enclosed Form PTO/SB/44.

The errors were a mistake by the Office in that certain language in the application was altered upon printing the patent.

The nature of the errors are such that the intended meaning of at least Claims 18 and 27 is not believed to be obvious within the context of the patent, whereby the patent may be misinterpreted and thus not be sufficiently clear as to provide a basis for an enforceable contract.

Respectfully submitted,

Dated 4-18-2005
